MISSION TRIPS TO KENYA

Join Our Boma!

We believe in team ministry - that together, we can reach more people for Jesus.

In Maasai culture, boma is a community where every person has a role to play. In some way, we believe each person has a part in the Kingdom of God.

Some are called to go - and we invite you to come!

Our Ministry Includes:

- Door-to-door outreach
- Open-air crusades and revival meetings
- School ministry and youth outreach
- Conferences for men, women, youth, pastors, and leaders

We Also Oversee:

- A Primary School
- A Girls Boarding School
- A Bible College (KAGSOM)

What It Looks Like to Come

When you bring a team, you will live and serve alongside us in the bush.

Teams stay at our camp, where our staff cares for your needs, allowing you to focus fully on ministry.

Each day includes hands-on opportunities such as:

- Village (boma) ministry
- Preaching and sharing testimonies
- Praying for the sick
- School and community outreach
- Crusades and services

No two days are the same, but every day is centered on sharing the Gospel.

What We Handle

We walk with you every step of the way and handle the logistics so you can focus on ministry.

We:

- Coordinate and cover flights
- Arrange all in-country transportation
- Receive your team at the airport
- Host you at our camp
- Provide meals and lodging
- Lead and guide ministry opportunities
- Facilitate daily devotions
- Take your team on safari
- Return your team to Nairobi for departure

Bring a Team

We work closely with pastors and leaders to host teams that are impactful, intentional, and aligned with your group.

Whether it's your first missions trip or one of many, we will help guide you through the process and prepare your team for a meaningful experience.

Your Role Matters

Every person has a role to play and a message to share.

Come be a part of reaching those who have never heard the name of Jesus.

Trip Cost

The cost of a mission trip typically ranges from \$3,500 to \$5,000 per person, depending on the length of the trip, location, and specific ministry focus.

FireWind Ministries handles the logistics so your team can focus on ministry while in Kenya.
